My Cozy Home

My name is **Imane**, and I live in a small but comfortable house in the countryside. Our house has two floors and a beautiful garden in front. There is a big **living room** downstairs with two large windows that let in plenty of sunlight. In the middle of the room, there is a brown **sofa** and a small **coffee table**. On the right, there is a **TV** on a wooden stand. We often sit there together to watch movies in the evening.

Next to the living room, there is a **kitchen**. It’s modern and bright. There is a refrigerator, a stove, and a dining table with four chairs. On the table, there is always a bowl of fresh fruit. Behind the kitchen, there is a small **bathroom** with a shower and a mirror above the sink.

Upstairs, there are **three bedrooms**. My parents’ room is large and has a balcony overlooking the garden. My brother’s room is next to mine. In my room, there is a bed near the window, a desk where I study, and a bookshelf full of novels and schoolbooks. On the wall above my desk, there is a poster of my favorite singer.

I really love my home because it’s warm, peaceful, and full of happy memories. Whenever I come back from school, I feel relaxed and safe here.
